EVENT ENHANCEMENTS

Looking for a unique team building activity and a way to connect your guests to the Houston Zoo?

Inspire guests to partake in an Event Enhancement activity by creating a friendly competition among groups or individuals. Entice your guests with prizes for bringing in the most items or having the best group participation!

If you are interested in enriching your event, contact your event coordinator for more information.

ENRICHMENT ROUNDUP

Provide presents for our party animals!

You can help enrich the lives of animals at the Houston Zoo by donating items from the Houston Zoo's Amazon Wishlist. Our zookeepers use enrichment to create variety and mimic natural behaviors for our Houston Zoo animal ambassadors.

Visit www.amazon.com and search "Houston Zoo" in the wishlist section. Gift cards to home improvement and pet stores are also welcome!

ACTION FOR APES CHALLENGE

Recycle your old cell phone with us! Did you know that some materials used in cell phones are mined from the ground in Central Africa? When you recycle your old cell phones, you help to reduce mining which helps to protect the rainforest area that chimpanzees and gorillas call home.

PARTY FAVORS

In lieu of traditional favors, give your guests a gift that gives back! Make a charitable donation on your group's behalf to support Animal Enrichment at the Houston Zoo.

Just \$25 could help our elephants chill out with tropical fruit ice pops and \$100 could help our chimps get artsy with painting supplies! You'll help keep our animals healthy and happy.

If you are looking for more ways to connect to saving wildlife ask your event coordinator for additional suggestions.
